TO: Mr. Loch Johnson
Permanent Select Committee on
Intelligence

Dear Loch:

On 8 September 1978 you asked some questions about Logistics Contract No. 78 N 278800 000 (Forecast Policy Decisions Government Group) which is run by NFAC's Office of Scientific Intelligence (OSI). I have looked into the contract and have been assured that the term "Government" refers to foreign governments. Further, it is my understanding that the project officers involved would be available to fill you in further should you so desire.

Sincerely,

[REDACTED]
Assistant Legislative Counsel
